

I have loved the music;
songs of life and laughter and love,
even the songs of sadness and struggle.
They have been the soundtrack of my life
and always there was the music.

My earthly life has come to an end
but the song of life is not over
for now I hear the music of eternity.

A limb has fallen from the
family tree
that says,
"Grieve not for me.
Remember the BEST TIMES,
the laughter, the song,
the good life I lived while I was
STRONG."
